

Medio Series

Designed with integrity

For more than 85 years Schlage has been developing innovative products as stylish as they are functional. The Schlage commitment to product quality and integrity is your key to peace of mind. Designed to meet the most stringent quality standards, Schlage products are backed by extensive warranties. More people trust Schlage because our products are in-touch with the way they live - today and way into the future.

Co-ordinate door furniture in a complementary fashion

Alba and Stella are new to the Medio Series of levers. These symmetrical designs follow the Schlage ethos and blend contemporary styling with uncompromised quality. Made in New Zealand, Alba and Stella expand the Medio Series to offer more choice of complementary door furniture to the home or business owner. Through our extended family, there are a range of co-ordinated internal and external door hardware solutions to choose from while being assured of optimal security.
